**How long is this film:** 1 hour 44 minutes

### What this film is about:

Lydia, a psychic, sees ghosts and makes a living from her TV show Ghost House. Her daughter Astrid doesn't believe in ghosts and thinks her mother is a fake until they need help from Beetlejuice to save them from the afterlife.

### Our favourite characters and parts:

Lydia, Astrid, Delia, Beetlejuice, Rory and Bob. Lots of mixed feelings about this film. Some thought it was too scary, they were afraid and it made them jump a lot. Others loved it, some favourite parts were: the characters, the music, the wedding part, the song and the dancing. The last scene was very funny. The skeleton, the powers, when the dad's head got bit off by a shark, the lighting, everyone screaming their heads off. The story, when the young girl met her dad. Overall, some parts were funny and it was a bit bonkers!

### Our opinion about this film:

A crazy funny scary film. Probably not for young people or those who don't like dark, scary, films.

### Our rating is out of 3 stars. Overall is nearly 3 stars:
