## What this film is about:

A young girl goes to stay with her grandmother when her father is in hospital. She meets a man who lives in a flat above her grandmother and he has some very unusual friends. They work together to find new homes for the friends and have some adventures along the way.

## Our favourite characters and parts:

Bea, Cal, Blue and Blossom. One person said Bea was a lovely, kind girl, very clever and magical! A good story, funny in parts, some parts a bit sad. One person said they nearly cried. One person said they liked Bea helping other people when her dad was in hospital instead of crying. Lots of funny parts - Blue in the bathroom, man dancing with the mop! And the artwork was really good by Bea.

## Our opinion about this film:

Lovely family film. Seems a little slow to get started but worth watching. A nice, fun, feel-good and calm movie!
