**Film watched:** The Fall Guy

**How long is this film:** 2 hours 5 minutes

## What this film is about:

This is an action comedy inspired by a TV series from the 80s. The story is about Colt Seavers, a Hollywood stuntman who now works as a bounty hunter. Colt goes on exciting adventures, using his stunt skills to catch criminals. He gets involved in a big movie project directed by his ex-girlfriend, but it turns out to be more dangerous than he expected.

## Our favourite characters and parts:

Colt, Jody, Dan, Jean Claude (dog). Favourite parts: the music, the dog, the fire, sparks on the road and the stunts! One person said they liked it when Jody set Colt on fire as she was mad at him and when she thought he was a burglar and fighting him. One person said they liked the TV show theme tune at the end and how they did all the stunts. And the dog was funny, he got the bad guy where it hurts!

## Our opinion about this film:

Full of action, fighting, comedy and good music!
