Film watched: Twisters

How long is this film: 2 hours 2 minutes

What this film is about:

A young girl and her friends have an idea for a project at College, that they can stop a Twister. A Twister is a spinning column of air that stretches from thunderclouds. Kate later gets involved with a group who want information about Twisters and others who are youtube storm chasers.

Our favourite characters and parts:

KATE, Harvey and Tyler. Everyone loved Kate and said she was great, gorgeous, kind, brave and clever. One person said they loved all of it. A good story and very exciting. Another said they loved the big storm at the end when it sucked up the fire. Also when they hid in the cinema and nearly blew away. Someone said all of the bits were their favourite. They said it was like Thunderbirds when the fire went up at the end! Some people clapped in the cinema.

Our opinion about this film:

A brilliant action film. Shows how twisters cause damage. It was scary at times and maybe not suitable for all.

Our rating is out of 3 stars. Overall is nearly 3 stars:

1. didn't like it / 2. liked it / 3. loved it!
